Reason(s) for Addendum: This addendum is being issued to respond to the questions asked via email

Question #1	You guys are looking for 9 Full timers to work during the day and I saw in the requirements, we need to clean classrooms and restrooms and we are working during the day, how that's possible? It's basically one full time for each school, I just want to make sure the city isn't expecting more than 9 full timers.
Response	Just 9 full time custodians to work during the day. They will primarily clean high touch surfaces and the restrooms and clean classrooms during class changes. The will work in conjunction with the other custodians that work for the city that will clean the building
Question #2	Also who will provide liners?
Response	The City will provide the liners
Question #3	I was wondering if I could get the sqft of the schools.
Response	Not at this time as it is not readily available and is not germane to this RFP.
